"The Conscious Colors training was one of the best workshops I've attended.

As a yoga instructor and massage therapist, the training deepened my knowledge & expanded my awareness of the chakras. Constance Hart is a gifted healer & teacher, and this unique perspective with color, sound and aromatherapy has ignited a desire to learn more with her about all these modalities."

-Robyn Rigoni, Arroyo Grande, CA

"I recently completed the Conscious Colors Course. The training provided a wonderful informative syllabus I now use for reference. The workshop was filled with countless practical demonstrations. I purchased the Color Aromas and are thrilled with their quality...they are amazing. I love them & my students love them! I would highly recommend this course to anyone who wants to learn more about the subtle energy body."

-Heidi Rayden, RYT, Los Angeles, CA
